Any delay in payment shall automatically entail:

(i) The application of late payment penalties to be paid from the day following the payment date as indicated on the invoice. The rate of the penalties is equal to the half-yearly refinancing rate of the European Central Bank (ECB) increased by 10 points. This rate will be applied to the amount including all taxes of the invoice.

(ii) The application of a fixed indemnity for collection costs of 40 euros.
